

# Since 2002

At Electronic Life, we do what we love and love what we do! From researching the latest technologies, to keeping up to date with product training and certifications, our goal is to provide you, our valued customer, with the best products and services around. For us, this is not only about selling products, it's about the relationship we want to build with you.

We take pride in our work, and we appreciate your feedback. Our reputation is built on your satisfaction!

We're the total package.

Please feel free to call or email our office to setup your free no obligation consultation.

# Your Home Systems Experts

Dim the lights and set the temperature to the desired evening level, push play on your favorite station, keep a virtual eye on the kids, and then Google a new recipe for dinner... all from one of the conveniently located touchscreens in the kitchen. With remote capability, you can control your systems from anywhere in the world, giving you full control even when you're not at home.

Call us today to learn more!

## Here's what EL can do for you:

From simple installations to full custom projects, EL is your solution.

### Whole-house Audio & Video

### Home Theater & Media Rooms

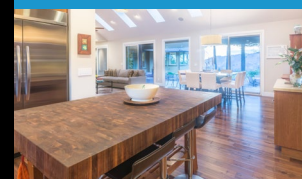

### Home Automation

### CCTV Video Surveillance Systems

### Lighting & Shade Control

### Security Systems

Through our Home Automation technology, Electronic Life will help you take command of your home. You'll be able to control multiple home entertainment and technology systems with a single user-friendly interface. Tired of the all the remotes you have laying around your living room? A single elegant touch pad can easily replace those remotes, plus any of your mobile digital devices can control your home systems from anywhere in the world.

Control at your fingertips. Call today to schedule a consultation. **Topeka** 785.232.5966 **Kansas City** 913.227.4122
